WHAT OUR CUSTOMERS SAY

"For nearly twelve years, we've rented and purchased violins, violas, and cellos for my four children from Strings N' Things. Whether it's replacing a broken string or bridge (even on a concert day!). Jim and Judy have given us great service and a lot of good advice over the years. My daughter now plays in OSU's symphony orchestra and uses two instruments we purchased Strings N' Things".

- Nancy C., Anderson Twp.

"Our family has enjoyed a relationship with Strings N' Things for 17 years, beginning with our oldest, who started with a Strings N' Things violin at age 5. Over the years, all our children played either violin and viola. Today, one of our sons is a Concerto Competition winner, and Associate Concert Master of the Cincinnati Symphony Youth Orchestra".

- Frank & Karen H., Burlington, KY
